Materials: Open-ended game board (Boards #1-12) and game pieces.

Directions: The teacher chooses a game board. (See pages 120-122 for "How to Play" directions.) Players select their pawns and different colored chips or crayons. The teacher reads aloud a sentence from the list below. The first student listens to the teacher, repeats the sentence, and follows the game board instructions. Play continues in turn. If the sentence is too long for the student, the teacher can shorten it accordingly.
