

FINAL CONSONANT

15 words each for final /p, t, k, m, n, s/

10 words for final /f/

100 words total!

FLIES

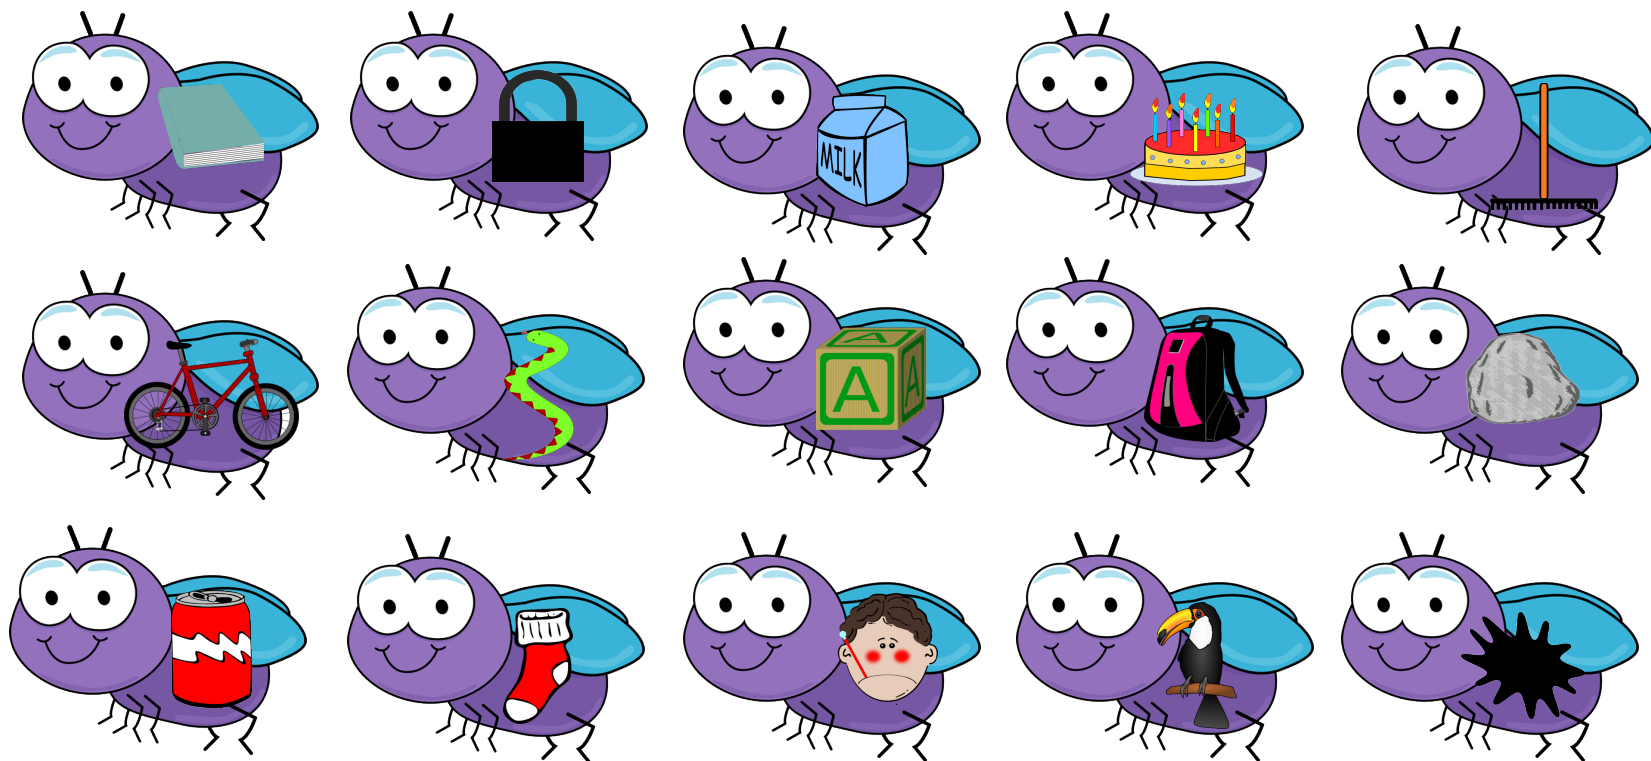

- Print frog, laminate, and attach to kleenex (or other) box. Cut out frog's mouth so there is a big enough opening to slide through a fly picture.
- Laminate and cut out flies to feed the frog. Have the child say each word on the fly your desired number of times before getting to "feed" the frog!
- OR, laminate & cut out flies & place around the room. Have students use a fly swatter to swat the flies, and then say the word on the fly your desired number of times!
