

PRONOUNS

Help your child learn pronouns (HE, SHE, THEY) by covering up the WORD-HE, SHE, THEY. Your child should see the picture and then the rest of the sentence.

Ex:

(Picture) (Pronoun is covered) is hiding..

Your child will guess what pronoun should be used based upon the picture. If it's a picture of a girl they use SHE, if it's a picture of a boy they use HE, if it's a picture of two or more people they use THEY are change the helping verb ARE.

Ex: SHE is hiding. HE is eating THEY ARE riding.
